Release on secured bond:

[ ] The court **FINDS** that release on non-monetary conditions will not reasonably assure the appearance of the defendant. The court notes that the **only** purpose for imposing a secured bond is to ensure the defendant appears for all necessary court hearings and for trial. The court further notes that, under the New Mexico Supreme Court case *State v. Brown*, a secured bond **cannot** be used for the purpose of detaining a defendant who may pose a danger to the safety of the community. 2014-NMSC-038. In setting the amount of the secured bond, the court has considered the available information concerning defendant's financial resources and has set the lowest bond amount that will reasonably ensure the defendant's appearance in court.

In making the determination in setting a secured bond, the court finds the following particularized factors require imposition of a secured bond in the amount set forth below:
[ ] The defendant has failed to appear _____ times for court hearings on prior cases and the present matter.
[ ] A warrant has been issued for the defendant's failure to appear for court hearings _____ times on prior cases and the present matter.
[ ] Other particularized factors considered by the court:_____
